7.1.2 Policy Document On The Green Campus/Plastic Free Campus.

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

GREEN CAMPUS POLICY

1. Proposed activities as follows:

- All vehicles belonging to college staff/faculty must have a valid Pollution Verification Certificate before entering the college campus.
- To reduce emissions, the college encourages staff and students to use public transport and bicycles.

2. Ban on use of Plastic

- The college continuously committed to work towards plastic-free campus.
- In the College campus there is complete ban on single-use plastics in class room, labs canteens in the institution's premises.

3. Landscaping with trees and plants

- As per the green practices in the campus is moving in the direction of a Green Institution in planting more trees with in and outside the campus.
- Plants and trees have been planted to clean the atmosphere.
- It is an important part of campus life and provides space for study, play, outdoor activities, relaxation and aesthetic appreciation.
- Green campus landscapes also control runoff, help recharge groundwater and clean and cool campus air.

- The landscape visually represents the campus community's commitment to sustainability.
- Because campus landscapes are so visible and accessible, landscape initiatives are a great way to raise environmental awareness.
- The college undertakes to enrich this healthy living environment and to maintain the symbiotic relationship of the educational institution with nature.
- Organize annual tree planting sessions

4. Azadi Ki Amrut Mahostav, Swatch Hi Seva and Swachh Bharat activities are central to the community work done by students across the College.

- Employees are encouraged to participate in the college campus cleanliness drive.
- Remove all waste materials such as broken furniture, unusable equipment etc
- The pledge by students and staff members to maintain cleanliness of the college campus and its surrounding areas on an annual basis.
- Conduct workshops on the 3Rs: Reduce, reusing and recycling of waste

Major Green campus Initiatives

- Recycling bin for e-waste
- Use of LED
- Restricted entry of vehicles
- Restricted Parking
- Usage of bicycles and public transport
- Pedestrian friendly Road
- Plastic free campus
- Plantation

7.1.2 The Institution has facilities and initiatives for

- 1.Alternate sources of energy and energy conservation measures**
- 2.Management of the various types of degradable and nondegradable waste**
- 3.Water conservation**
- 4.Green campus initiatives**
- 5.Disabled-friendly, barrier free environment**

7.1.2 Facilities for – Alternate sources of energy – Energy conservation measures

ENERGY CONSERVATION POLICY

The institution has framed the policy for accomplishing the following objectives:

- Turn off lights and electrical appliances when they are not in use.
- Another way to contribute to energy efficiency is to use LEDs instead of traditional lamps or incandescent bulbs.
- Shivaji Shikshan Sanstha, Mumbai Science and Commerce College (Night) has sustainable environmental and energy consumption practices. The campus has taken initiatives to minimize the use of electricity and is also using alternate energy source. Few highlights of our initiatives are: -
 - Entire campus uses LED lights
 - Students and staff members are educated on stopping wastage of energy by placing posters near switches
 - Recycling Bin for E-Waste

Establishing designated bins for the collection and proper disposal of electronic waste.

- Use of LED Lights

Transitioning to energy-efficient LED lighting throughout the campus.

Learning through Online Platforms

Promoting the use of digital resources for a paperless and sustainable learning environment.

Restricted Entry of Vehicles

Prohibiting outside vehicles within the College Campus.

Designating specific parking spaces for faculty and staff vehicles.

Encouraging the use of public transportation among staff and students

Restricted Parking

Implementing policies to limit parking spaces and encourage alternative transportation methods.

Plastic-Free Campus

Enforcing a ban on the use of plastic within the campus.

Canteen utilizing stainless steel utensils for cooking and serving food.

Green Campus Plantation

Engaging in landscaping activities by planting various trees and plants across the College campus.

Green Campus Plantation

Engaging in landscaping activities by planting various trees and plants across the College campus

CLEAN AND GREEN CAMPUS POLICY

At Shivaji Shikshan Sanstha's Science & Commerce College (Night), we commit to practicing and maintaining the following criteria and policies to ensure a pollution-free, energy-saving green campus.
